

EOD / IED TECHNICAL ADVISOR

ABOUT HAMAP-HUMANITAIRE

Created in 1999, HAMAP-Humanitaire is a Non-Governmental Organization (NGO) of international solidarity. HAMAP Humanitaire's actions focus around four areas :waterand sanitation, mine action, education and health.

HAMAP-HUMANITAIRE IN IRAQ

HAMAP-Humanitaire has been working in Iraq since 2016, in capacity strengthening of local partners in Iraq. HAMAP-Humanitaire first implemented IED-Clearance training to the profit of local authorities in Sulaymaniyah and Erbil. Since 2019, HAMAP-Humanitaire support a local Iraqi NGO in continuous improvement of its organizational and technical capacity.

Since October 2021, HAMAP-Humanitaire and its partner SHO are active in EO RE and NTS in Sinjar district. The two partners realized a need assessment and identified priority areas for EO RE, NTS and clearance. HAMAP-Humanitaire will launch its first clearance project in Iraq beginning August 2022.

TASKS AND RESPONSIBILITIES

In close link with the EOD Operation Management advisor your missions are :

- **Mentoring and operational overview:** Support the EOD Management Advisor in the identification of training needs and their implementation. Support the partner's EOD Operation Manager, the partner's EOD Supervisor and the team leaders in the planning, implementation, monitoring and reporting of activities. Mentor, evaluate and train the partner EOD Supervisor. Supervise field operations, with a focus on capacity building.
- **Quality Assurance/Control:** Monitor clearance sites. Conduct regular compliance controls of clearance operations with SOPs and NMAS. Provide feedbacks on corrections and corrective measures to implement.
- **Representation and coordination:** Represent the organization and its partner, in particular for technical meetings and with local authorities. Coordinate operations and capacity building efforts.
- **Technical Advising:** Supervise daily deployment of the clearance and NTS teams. If safety concerns or more efficient methods are identified, make recommendation regarding new approaches and improvements to the SOPs. Provide EOD/BAC/IEDD services as required.

Plus any other tasks assigned by the EOD Operation Management Advisor.

The EOD Technical Advisor reports to the EOD Operation Management Advisor.
